Email: [carl.hacker@londonky.gov](mailto:carl.hacker@londonky.gov)

## **INVITATION TO BID**

### **INSTRUCTIONS TO BIDDERS**

Sealed bids will be received by the City of London Fire Department until JULY 15, 2019 at 501 South Main St. London, KY for the furnishing of all necessary labor, equipment and material for the Fire Apparatus, and other equipment as outlined in the following specifications. Also will be found on our city website at [www.londonky.gov](http://www.londonky.gov)

Bids will be addressed and submitted in accordance with the instructions provided above. The type of bid, bid opening date and time will be stated on the front of the bid envelope.

All specifications herein contained are considered as minimum. No exceptions to these minimum standards will be allowed relating to gauge, alloy, and type of metal, size of compartments and overall design. Bidders must state the brand of any item provided which is a substitute for the brand or model specified for evaluation by the bidder. The buyer reserves the right to require a bidder to provide proof in each case that a substituted item is equal to that specified. The buyer will be the sole judge in determination of acceptable substitutes.

This apparatus will conform to the current edition of the National Fire Protection Association Pamphlet No. 1901.

All bids must be signed. Failure to do so will cause the bid to be non-responsive and rejected.

The competency and responsibility of Bidders will be considered in making the award. The London Fire Department reserves the right to reject any or all bids, or to reject the bid of the bidder who, in the judgment of the buying authority is not in a position to perform the Contract. These specifications, together with any other documents required herein, will be included in the final contract. Each bidder will submit a copy of his proposed contract form. The purchaser reserves the right to reject a bid based on unacceptable provisions of a bidder's contract and does not obligate itself to accept the lowest or any bid.

It will be the responsibility of the bidder to assure that their proposal arrives at the proper location by the time indicated. Late proposals, telegrams, facsimile, or telephone bids will not be considered. Bids will not be considered from firms, individuals or the same owners of separate companies submitting more than one bid.

Any erasures, strike over's and/or changes to prices written in numerals should be initialed by the bidder. Failure to initial may cause to reject the bid as irregular and disqualified from consideration.

A written review of the company, in chronological order, detailing the background of the manufacturer shall be provided as part of the Bid proposal.

If a vendor represents more than one Fire Apparatus Company, they will only bid the top of the line product that meets specifications.

The apparatus shall be built by an American owned manufacturer in the United States. NO EXCEPTION.  
THE PURCHASER WILL NOT ACCEPT ANY BIDS, WHICH DO NOT MEET THESE SPECIFICATIONS AND IS THE SOLE DECIDER TO DEEM WHICH BID IS IN THE BEST INTEREST OF THE PURCHASER.

### Fire Engine Loose Equipment Bid Pricing List

Where product names and model numbers are listed, this is the purchaser's preferred choice, however, the vendor may elect to substitute an equal product. The purchaser will have sole discretion to determine if the substituted product is equal or not.

Where no make or model number is listed, the vendor shall give details on the manufacturer, model, and construction of their proposed item.
