

A SUMMARY OF ORDINANCE NO. ~~2012~~¹⁷ ENTITLED
"AN ORDINANCE REZONING PROPERTIES OWNED BY CITY OF LONDON,
KENTUCKY, AT TLC LANE AND EAST HIGHWAY 192, LONDON, KENTUCKY:"

This summary is prepared pursuant to KRS 83A 060(4) as a correct summary of this Ordinance. The main points of this Ordinance are that public hearings were conducted by the London-Laurel County Zoning and Planning Commission ("the Commission") on October 9, 2012, and October 16, 2012, following a written request to the Commission that properties be rezoned. The properties are located at TLC Lane and East Highway 192, London, Kentucky, and are particularly described in the full text of the Ordinance. All of the requirements of KRS 100.211 have been met. The Zoning and Planning Commission recommended that these properties be zoned from C-2 (commercial) to I-2 (industrial), and that the Zoning map be amended to reflect this change. The London-Laurel County Zoning and Planning Commission made findings, pursuant to KRS 100.213 that the existing zoning classifications given to the property are inappropriate because the that the existing zoning classifications given to the properties are inappropriate and that the proposed zoning classification is appropriate. The Ordinance as written accepts the Commission's recommendation and ordains that this property be rezoned from C-2 (commercial) to I-2 (industrial). There has been compliance with KRS Chapter 100.

This summary is certified by City Attorney Larry G. Bryson to comply with KRS 83A.060(9), and will be effective upon publication of the summary.
