

**COMMONWEALTH OF KENTUCKY
CITY OF LONDON
ORDINANCE NO. 2016-10**

**AN ORDINANCE ESTABLISHING THE
A.R. DYCHE MEMORIAL PARK CEMETERY BOARD**

The City of London recognizes that the A.R. Dyche Memorial Cemetery had its beginning as a family cemetery when Nannie Parker was buried there by her family in December 1896. The Parkers allowed others to be buried there and it became established by Maria Jackson as the Pine Grove Cemetery; it was then purchased by the London Masonic Temple Company and later sold to Russell Dyche who turned the management over to the A.R. Dyche Memorial Park Association, a City of London organization to operate the Cemetery. Russell Dyche contributed acreage to the cemetery afterwards. According to various publications, Russell Dyche wished that the cemetery be a memorial to his father A.R. Dyche. The A.R. Dyche Cemetery has been operated by the City of London Cemetery Board for several years and has acquired property and has undergone several expansions, particularly over the past short while.

The City of London recognizes the efforts of the present cemetery board and its efforts of improvement and expansion of the property comprising the present A.R. Dyche Cemetery. The Cemetery Board has recommended changes to the London City Ordinance relating to the A.R. Dyche Cemetery Board rates the same in this Ordinance. For these reasons and with this recognition,
